*Halloween Fun Anyone?*  
Nancy Bates designed  
"Spooky Halloween Hat"  
pattern

Our October meeting will be held  
at the Arlanza Library!

Address is 8267 Philbin, Riverside

So much going on this month!  
We start with a hybrid meeting.

This year our outreach  
knitting was our:

Bring in your items and register for your  
chance to win a \$25.00 gift certificate based  
on the number of items you have knit.

See your e-mail from Vicki Ann for all the  
details, but the results will be at our November  
meeting

After a brief General Meeting, Nancy Bates will  
be present to discuss and sign her new book  
featuring her creative National Parks Hats. She  
has had a very busy and successful kick-off for  
her book so hopefully, her book as well as hat  
kits will be available for purchase.

Nancy's first zoom presentation was to us in  
June of 2020, so most of us have already fallen  
in love with her designs and well written  
patterns.

**Nancy Bates**

*Let's surprise her by wearing our Nancy Bates design beanies!*

*After Nancy's presentation, members can Show & Share items they have completed.*

**Please Note: Our election will be held and our outreach knitting projects will be distributed to the three agencies in November.**

Meetings are held the 1st. Saturday of the month, (unless otherwise noted).  
Time and location is temporarily on a month-to-month basis with 10:00am on  
ZOOM being the most common.

**ZOOM meeting I.D. and password are sent out through e-mail to members.**

**Just a few words about the Riverside Knitting Guild and our upcoming November election meeting.**

I urge you all to consider serving on the Riverside Knitting Guild board. If you are just not in a position to do so this year, then maybe at a later date.

We are a talented, diverse, caring, entertaining, giving, creative, (I could go on), group who all have something of offer.

### Upcoming in 2023

**Yarn Auction!** Sat., May 6th 2023

**That's right, we will bring back the Yarn Auction this year, in-person only.**

What a fun way to spend the morning buying yarn at fantastic prices. We have had two years to use our existing stash. After two years, maybe you realize you have yarn you are just not going to use. You can Contact Mary Swartzel via text to arrange to get your yarn donations included. Proceeds from the auction go to the guilds treasury.

### Barry Klein

**Trendsetter yarns and popular designer!**

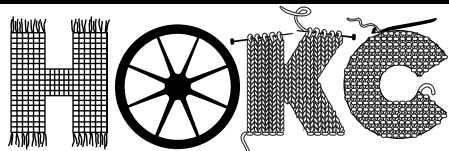

Barry has allays provided an interesting program and presents techniques that can be used in a variety of ways. I find I am going back to these techniques again and again by incorporating them into various knitting projects.
