November 2022

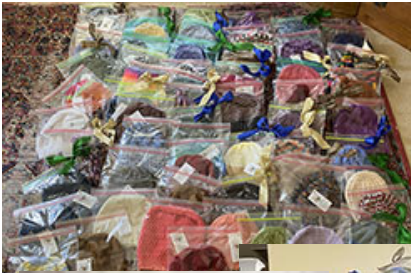

The winners of the Outreach Challenge as well as our slate of officers for 2023 will be announced at this meeting.

We had great participation in our outreach knitting this year and our items have been delivered or shipped to the various organizations. Because we unexpectedly had so many more items than participants in the Inspire Life Skills program, we had plenty to include another organization, Peppermint Ridge in Corona.

This delivery is scheduled for mid November.

Vicki Buckley was able to locate the new contact with the Riverside Social Services where we sent our donated items previously, so members and the board will have a difficult decision to make next year as all are worthy and appreciative agencies.

Kristi Perez,  
Inspire Life Skills

Sailors will keep their heads warm on the with our wool beanies.

Our donated gifts to Inspire Life Skills will be selected by the recipients at their annual holiday party.

Our beanies will be used as stocking stuffers for Peppermint Ridge students and residents.

Many new Moms will feel the love from others as their new ones have hand knit caps, blankets, socks, sweaters & toys.
